The Debtor will maintain the current contractual installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. These payments will be disbursed either by the Trustee or directly by the Debtor, as specified below. Creditors being paid directly by the Debtor under the plan shall continue to send customary payment coupons, statements, and notices to the Debtor. Such actions by the creditor shall not constitute or form the basis for finding a violation of the automatic stay. Any existing arrearage on a listed claim will be paid in full through disbursements by the Trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claims filed before the filing deadline under Fed R. Bankr. P. 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below shall control. If relief from the automatic stay is ordered as to any item of collateral listed in
this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease
and all secured claims based on that collateral will no longer be treated by the plan.

The remainder of this paragraph will be effective only if box 1.1 in Part 1 of this plan is checked "Included."

The Debtor requests that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor states that the value of the secured claim should be paid as set forth below in the column headed Amount of secured claim (net value). For claims of governmental units, the value of a secure claim listed in a proof of claim filed in accordance with the Fed. R. Bankr. P. 3002(c) controls over any contrary amount listed below unless otherwise ordered by the court. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. If the collateral is the Debtor's principal residence and the Debtor seeks to void a wholly unsecured junior mortgage lien, a separate affidavit providing evidence of value of the property and the amount of each senior lien against the property is to be filed and served upon the affected creditor. Upon confirmation of the plan, Debtor shall submit an order voiding the mortgage lien.

Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph. The holder of any claim listed below as having value in the column headed Amount of secured claim (net value) will retain the lien on the property interest of the Debtor or the estate until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

These claims will be paid in full under the plan with interest at the rate stated below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim filed before the filing deadline under Fed. R. Bankr. P. 3002(c) controls over any contrary amount listed below. The judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the Debtor would have been entitled under 11 U.S.C. § 522(b). Unless otherwise ordered by the court, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon confirmation of the plan. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Part 5 to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under the plan. See 11 U.S.C. § 522(f) and Fed. Rule Bankr. P. 4003(d). If more than one lien is to be avoided, provide the information separately for each lien. A separate affidavit providing evidence of value of the property and the amount of each additional lien against the property is to be filed and served upon the affected creditor(s). Upon confirmation of the plan, Debtor shall submit an order avoiding the lien(s).
